

Thank You for Supporting Our Year 7 Music Specialist Programme – A letter of gratitude from MiSSt.

The Impact of your generous support for our Year 7 Music Specialist Programme, which currently benefits 55 students. Your funding has enabled our students to access high-quality instrumental tuition and valuable performance opportunities, supporting both their musical development and personal growth. We are delighted to share some of the excellent progress and achievements demonstrated by the cohort during the past year.

On Tuesday 16th June, our Year 7 Performing Assembly provided a wonderful opportunity to celebrate the musical achievements and progress of our students throughout the year. The event was a joyful and memorable occasion, allowing students to showcase their hard work and growing confidence to their peers and staff.

The standard of performance was particularly impressive. Our flute classes performed a remarkably challenging piece, demonstrating musicality, confidence and technical ability beyond what might typically be expected at this stage of their learning. Their performance reflected the significant progress they have made over the course of the year and the dedication they have shown in their lessons.

Our violin students also delivered an outstanding performance, showcasing excellent clarity, precision and ensemble skills. Their ability to perform together with such accuracy and expression highlighted the strong musical foundations they have developed, as well as their commitment to their studies.

Performance opportunities such as this are an invaluable part of our music programme. They enable students to develop confidence, refine their performance skills and take pride in their achievements while performing in front of an audience. It was wonderful to see the enthusiasm, resilience and sense of accomplishment demonstrated by all those involved.

We are incredibly proud of all 55 students who have participated in the programme this year and of the positive way they represented themselves throughout the assembly. Their progress is a testament to the impact of the specialist music provision, and we are extremely grateful for your continued support in making these opportunities possible.

Thank you once again for your investment in our students. Your funding is helping to inspire young musicians, develop their confidence and create lasting opportunities through music.
